Good afternoon. I am a senior majoring in computer science and an international student. I am planning to graduate by May 2026. I had a couple of quick questions regarding my course schedule. I recently dropped Intro to Ethics (01:730:107) and added Minority Groups in American Society (01:920:108). However, when I logged on to canvas and the myRutgers portal, it still displays Intro to Ethics and not the course I just added. 1) Could you please confirm if I am officially registered for Minority Groups in American Society (01:920:108)? 2) Could you also confirm if I am eligible to get full credit for Minority Groups in American Society (01:920:108)? Please let me know if there are any course section restrictions that apply to me. Thank you.

Janice Park (15:30:54) : Hello Yuvanshankar Mahesh , I'm Janice Park! Please give me a few minutes to look up your records. It may take longer than expected since I am assisting other students as well, but please remain on Live Chat. If you leave, you will be put at the end of the queue, and it will take longer to receive assistance. Thank you!

Janice Park (15:32:06) : I can confirm that you are registered into 01:920:108

Janice Park (15:33:13) :

Yuvanshankar Mahesh (15:36:59) : Thank you. How long does it typically take for this change to reflect in canvas?

Janice Park (15:37:26) : It should reflect soon

Janice Park (15:37:45) : If it doesn't by tomorrow, you should definitely reach out to the instructor and let them know that you are new to the class and needed to be added

Yuvanshankar Mahesh (15:40:54) : Thank you. My last question is if I am eligible to get full credit for this course. I just want to verify that as I could not see any course section restrictions.

Janice Park (15:41:21) : Yes, if you are enrolled in the class and it is not a course you are repeating, you will receive credit

Yuvanshankar Mahesh (15:41:52) : Thank you so much for your time! Those were all my questions.

Janice Park (15:42:17) : You're welcome!
